We will be closed for the Christmas holiday Thursday, Dec. 24 and Friday, Dec. 25, 2020. We will return with our usual hours on Monday, Dec. 28, 2020.

We will be closed again for the New Year's holiday on Thursday, Dec. 31, 2020 and Friday, Jan. 1, 2021. We will return to the office with our usual hours on Monday, Jan. 4,

2021.

A Note from Dennis VanDerGinst

Dear Friends,

There is no denying that 2020 has been a chaotic year for many people. The Coronavirus has wreaked havoc--lives have been lost, the economy has been shaken, and we have seen divisiveness at every level of society.

Now, possibly more than any time in our lives, we all need to remember the Reason for the Season.

Love thy neighbor.

Count your blessings.

We are all in this together.

These may seem like overused, trite, and sappy statements. But, think about why they have become so "overused". If we all adhered to these directives each day, the world would be a much better place. During the holidays we tend to try a bit harder to do just that. Let's try to live that message year-round. That is one sure way to make 2021 a much better year.

On behalf of everyone at VanDerGinst Law, I would like to wish you all the Happiest Holiday Season and a Joyous and Prosperous New Year!

Dennis VanDerGinst, President/CEO

Was Your Business Impacted by the COVID-19 Pandemic?

VanDerGinst Law is partnering with Andrew D. Schneider, Esq. to provide our clients with analyses of their business interruption economic loss claims.

YOU MAY BE ENTITLED TO COMPENSATION IF YOU ANSWER “YES” TO THESE TWO QUESTIONS:

- Are you a business owner?
- Has your business been forced to shut down or been otherwise restricted in its ability to generate income due to COVID-19?

If you answered “yes” you may be entitled to recover money to compensate for lost revenue you have sustained since March 2020.

Business owners often have insurance claims available through their own business insurance to compensate for lost income due to shutdowns and restrictions which were put in place by various authorities in efforts to control the spread of the Coronavirus. You may have that coverage and not even be aware. Filing a claim can be complicated and intimidating. Insurance companies are not in the business of losing money and making it easy for you to collect on a claim. **THAT IS WHERE WE CAN HELP!**

We can evaluate your situation for **FREE** to determine if you have a claim for compensation. If so, we will negotiate on your behalf to get you every penny to which you are entitled!

If we don't get you compensation, you do not owe us a penny.
